I will sing to the Lord as long as I live: I will sing to My God while I have being. Psalm 104:33 Many of us feel encouraged when we are singing, listening to the radio or hear others singing. ***If you enjoy singing***, this may be something you would like to consider. A group of people from the church have started to sing to those who need encouragement. We obtain permission from a family member and try to find out the best time of day to come. We have been requested to sing at various times of the day. We have no particular song list as some people have requested their favorites. We are trying to become more organized. If you would like to be a part of this ministry please contact Karen Nagyvathy or Connie Zanoni. Your name will be placed on a separate one call. When a request is given, the message will contain the person's name, where they are and the time to sing.

Directory: It may be hard to believe, but it has been a year since we did the photo directory! A new paper directory will be available in April, so please submit your updates to the church office by the end of March.
